

GROUP TOUR VISIT INSTRUCTIONS

Upon arriving to campus, please stop at the guard booth to request a campus map. A public safety officer located at this guard booth can help direct you to the drop-off location for group tours.

Be sure to arrive on time as additional group visits are scheduled through out the day. If you have any questions or concerns during your visit, please call our office at 310-506-6159.

We look forward to welcoming your group to the Pepperdine campus!

1. DROP-OFF LOCATION: BANOWSKY BOULEVARD

Once you have checked in at the guard booth, please proceed to Banowsky Boulevard for the student drop-off location. Instruct the bus to park at the base of the Chapel parking lot on Banowsky Boulevard. Do not enter into the Chapel parking lot, but rather, have the bus park on the street for students to unload.

2. SELF-GUIDED STARTING LOCATION: AMPHITHEATER

Once students have unloaded, please walk the group to the Amphitheater in order to start the self-guided group tour. Proceed up the Chapel parking lot, past the Chapel to the Amphitheater. This will be a great place to gather before heading to the first tour stop location.

3. BUS PARKING LOCATION: BENTON WAY

Your transportation vehicle must be relocated to Benton Way. Once students have unloaded, the bus must proceed down Banowsky Boulevard and turn right onto John Tyler Drive. Continue up John Tyler Drive and turn left onto Benton Way where the bus can park at a downhill slope during the group visit. Please be sure to check in with the guard booth on your way into campus for the most up-to-date parking instructions.
